

TOWN
OF
SORRENTO

ANNUAL REPORT
July 2023 – June 2024

Thank you to Averill West for providing both photos of the January 2024 storm in progress!

Annual Report
of the
Municipal Officers
of the
Town of Sorrento

For the fiscal year
July 1, 2023- June 30, 2024

And the

Warrant

For the fiscal year July 1, 2024- June 30, 2025

The Annual Town Meeting begins with
The Election of Officer:
Monday, June 24, 2024
Polls will be open 2-6pm
At the Sorrento Community Building

And continues on
Tuesday June 25, 2024 at 7pm
At the Sorrento Community Building

DEDICATION

TEETEE & BUBBA ALLEY

It is likely that you bring your returnable bottles and cans to Teetee's Redemption Center. There, you are greeted by Patricia Kilton Alley (known as Teetee), and her warm and friendly welcoming smile. And not too long ago, you would also have been greeted by Roland Alley (known as Bubba), Teetee's loving husband of 64 years, who died in October of 2022.

Teetee and Bubba grew up on the same street in Jonesport in the 1940's and 50's. Bubba really was "the boy next door". He joined the Army right after graduating from high school. When he got leave, he would hitchhike home to see Teetee, if only for a couple of days. He was sent to Korea and was wounded in battle there.

He received the Purple Heart, the Bronze Star, the Silver Star, the Honorable Service Medal, and Korean Certificate of Appreciation. He was proud to be a Veteran of the United States of America, and a 51 year member of the American Legion. After the war, Bubba came home to Jonesport. He worked in the sardine factory, worked for Sterling Net and Twine, and for the Peat Bog, and drove a fish truck, and for many years was custodian and bus driver for the Jonesport-Beals school department.

Teetee meanwhile, worked packing fish and waitressing after high school. She married Bubba on September 21, 1958, in the Reorganized Church of The Latter Day Saints in Jonesport. Years later, they joined the Community of Christ Church in Ellsworth, a church which was and is a big part of their lives.

Although Teetee and Bubba had no children of their own, they doted on their nieces Charlene and Irma Kilton and their home was blessed with their neighbors' children and friends. Bubba played Parcheesi with them, kept a small ice skating pond out back in the winter, and had a record player on the lawn where kids could dance in the summer. He took the high school kids out "smelting", and brought them back for Teetee's chocolate cake to share with all. Today they have many great, and great-great nieces and nephews!

Teetee worked at the Arnold Memorial Clinic in Jonesport for 25 years. She was hired as the receptionist, and often had to do some of everything! When Bubba had a double knee replacement he had to retire from his high school jobs in Jonesport.

Along with Velma Kilton, (Teetee's and Bud's mother), they had been regular visitors to Sorrento because Bud (and his wife Marita Kilton), and niece Charlene (and her husband Phil Buteau), were already here. Teetee and Bubba had a tiny tow-behind camper that they parked near Charlene and Phil and lived in while visiting Sorrento. Teetee would then commute back to Jonesport and her job at the clinic.

In 1995, they decided to stay in Sorrento. They built a house where they had camped because, like Bud and Marita, they too had fallen in love with Sorrento.

A few years later, Teetee and Bubba wanted to work together, so they started Teetee's Redemption Center, now going on for over 22 years. It is a wonderful small business for Sorrento. Teetee has no plans to retire, as she enjoys being with people and wants to keep working.

Sorrento is very fortunate to have the Kilton family here. Sadly, Phil died in 2003, Velma in 2008, Irma in 2019, Marita in 2020, and Bubba in 2022. Thankfully, Teetee and brother Bud, and niece Charlene are still here. They are a very close family. They are the good, hard-working, and kind people that Teetee's and Bud's father, Charles Kilton of Jonesport, brought them up to be. And they are, as Bubba was, a friend to all, and they all love Sorrento!

ELECTED OFFICIALS

All elected terms of office expire as of the Town Meeting in the year stated.

USEFUL AND IMPORTANT TOWN INFORMATION

Assessing & Property Tax Information

Sorrento elected Select Board contracts with Marc Perry/Downeast Assessing Services to set the values for all property as of April 1st of each year. If you qualify for a Homestead, Veteran's or other exemption, you must file the application by April 1st. Once approved, you do not need to reapply yearly for the exemption. Taxes are generally calculated by early October and bills are mailed soon after. If you do not receive a tax bill and believe you should have one, please contact the Town Office. Property information is contained on assessment cards at the Town Office. All property and tax information is public information. Sorrento's fiscal year is July 1st to June 30th.

Boats, ATV's and Snowmobiles

To register a new boat, snowmobile or ATV, bring the bill of sale that includes the year, make, model and VIN/serial number. Sales tax is collected at the time of registration unless the vehicle was purchased from a Maine dealer. Boat registrations expire December 31st. For all documented boats, the excise tax **must** be paid in the town you reside. Snowmobile and ATV registrations expire June 30th. The Harbor Master approves all moorings.

Building & Plumbing Permits

The Town of Sorrento requires that anyone performing plumbing or construction to submit an application and pay for permits. Applications are available at the Town Office. Common projects that require permits are:

- Plumbing renovations, repairs and additions
- Septic systems
- Driveways, fences and signs
- Building construction
- Shoreland projects

Please contact the CEO, Michael Gurtler, prior to starting any new project. You can call the Town Office to set up a meeting. Michael Gurtler is also the Local Plumbing Inspector.

Burn Permits

You can obtain a burn permit by contacting a Fire Department Officer or going online at <http://www.maine.gov/burningpermits>

Community Building & Village Green Rental

The Community Building and Village Green are available for private functions for a fee. For more information call the Town Office.

Curbside Trash Pickup

Every Thursday trash must be curbside by 8 AM. Trash stickers are required for pick up. Stickers are for sale at the Town Office, Dunbar's Store and Nautilus Marine. DO NOT exceed 40 lbs. per bag. ****Garbage is always picked up on the scheduled day even if it falls on a holiday.***

Dog Licensing & Animal Control Information

The State of Maine requires that all dogs be registered every year with the town you reside in when the dog reaches six months of age. All dog licenses expire December 31st of each year and are obtained at the Town Office. There is a mandatory late fee of \$25 after January 31st. You are required to bring in the current rabies vaccination certificate and the spay/neuter certificate, if applicable. The cost is \$11 for non-neutered/spayed and \$6 for neutered/spayed canines. The Town of Sorrento also participates in the on-line program where you can register your dogs online at apps1.web.maine.gov/cgi-bin/online/dog_license/index.pl. All dogs must be on a leash or under their keepers' voice control and may not run at large.

General Assistance

Sorrento administers a General Assistance program as required by State Law. Applications are available during regular Town Office hours or by contacting Diana Gazis (overseer of general assistance). An Ordinance is used to determine eligibility for assistance.

Inland Fishing & Wildlife

Sorrento is an agent for the Maine Department of Inland Fisheries & Wildlife for hunting and fishing licenses. These licenses are sold through the MOSES online system and at the Town Office. Salt-water fishing registration is required and that permission is included with fresh water fishing licenses. First time hunters are required to submit proof of a hunter safety course completion when purchasing a license.

https://moses.informe.org/cgi-bin/online/moses_v3/index

Motor Vehicle Registration Information

Sorrento is a NOW a full registration agent for the Maine Bureau of Motor Vehicles. There is no longer a need to go to Ellsworth to the BMV for plates (unless you want a specialty or personalized plate) All registrations for all vehicles may be done at the Sorrento Town Office. If you have an existing license plate and purchased a new car from a Maine dealer, the initial registration can also be completed at the Sorrento Town Office. Proof of insurance and current mileage is required for all registrations. Also, providing your old registration is helpful. If you are interested in renewing your registration online using Rapid Renewal, you will need your current vehicle registration (the data must be entered exactly how it shows on the registration), proof of insurance and current mileage on the vehicle. The website is

<https://www1.maine.gov/online/bmv/rapid-renewal/>

Newsletter Submission

We take all newsletter submissions by the 21st of each month. Anything after that may or may not make it into the newsletter, depending on the time and space! Submit to: townoffice@sorrentomaine.org

Planning Board Meetings

The Planning Board meets the first Thursday of each month at 6:00 pm via Zoom.
Meeting ID: 889 8753 5935 Passcode: 470 621

Select Board Meetings

Select Board meetings are held the first and third Wednesday of each month at 7:00 pm at the Sorrento Community Building and via Zoom. Meeting ID: 865 3562 3920 Passcode: 307652

Vital Records

We issue Birth, Death and Marriage certificates. ID is **REQUIRED** upon picking up certificates.
2023 Births: 0 Marriages: 3 Deaths: 3

TO REPORT A FIRE OR MEDICAL EMERGENCY: CALL 911

Give your name, location, 911 street address and type of emergency. If we can't locate you, we can't help you. If possible, station someone by the road to assist emergency personnel in finding you. Your assistance with this request will result in a quicker response to your emergency.

The Town Clerk is the official record keeper for the Town and is responsible for maintaining and ensuring the safekeeping and preservation of Town and Vital Records. All birth and death records are now recorded and issued through the State of Maine online Electronic Death, Birth and Marriage Registration (EDRS, EBRS and EMRS).

The Town Clerk is also responsible for issuing various state and local licenses, including Inland Fisheries & Wildlife (IF&W) licenses, dog licenses and registering recreational vehicles (snowmobiles, ATVs) and boats. The Clerk also administers and oversees the State and local elections as well as voter registration.

REGISTRAR OF VOTERS

Currently 244 registered voters
Democrats 79, Republicans 98, Green 4, Unenrolled 59, NL 4

EMA REPORT

As a result of the continued dry conditions, it is most important to be aware of the fire potential at all times.

REMEMBER: BURN PERMITS ARE ALWAYS REQUIRED!

As always in the event of a big storm, the fire department will be out checking for damage such as trees and overhead wires down, and washed-out roads. Reports from the town residents regarding their neighborhoods continue to be a great help to the fire department. **Remember: DO NOT GO NEAR a downed line or one that is tangled in a downed tree. CALL 9-1-1** to have the fire department dispatched to check it out. The fire department has a special tool that will indicate if a downed line is one that is electrically charged or not.

Likewise, the continued cooperation of the residents of the Town of Sorrento is very much appreciated.

Have a safe 2024!

Joey Clark, Director

Sorrento Emergency Management

ROAD COMMISSIONER REPORT

This year has been a busy year. With the storms over the winter we have received a lot of damage on Ocean Ave. We are meeting with FEMA regularly to discuss federal reimbursement funds. Before anything can be fixed FEMA has to come and look it all over and tell us when we can start the work to repair what is damaged. We will be working with engineers, DEP, and environmentalists as we go through the process with FEMA. The town should not rush into this without consulting the proper agency. Hopefully by the town meeting we will have some estimates of the damage that has to be taken care of. Also throughout the year the regular ditching, shouldering, pot hole repair and grading of the dirt roads in town will still take place as normally.

The three major storms we had over this winter the town lost 37 trees in just those three storms. Those trees are not including what we usually lose during regular storms.

If you see or have a concern about the condition of a road or a hazard, please feel free to contact me or the town office.

Joey Clark

Road Commissioner

PUBLIC SAFETY REPORT

As always, a big thank you to all the residents of the Town of Sorrento for their safety consciousness in 2023-2024. Your reporting of damaged, removed, or spray-painted street signs is the type of information necessary to repair or replace them as soon as possible. These signs are very important for emergency services personnel, especially fire, police and medical, as well as utility companies to find the correct address.

A critical part of public safety is for residents to accurately use the 9-1-1 address that has been assigned to their property. The mailbox and/or home should clearly display your 9-1-1 address to allow quick identification. If you are having difficulty with your 9-1-1 address display, please call me for assistance.

REMEMBER: BURN PERMITS ARE ALWAYS REQUIRED. These can be obtained in person from the Fire Chief, Deputy Fire Chief, Assistant Chiefs of the Sorrento Fire Department or online. No burn permits will be issued during dry conditions such as now.

Smoke and CO2 detector batteries should be replaced when the clocks are turned back one hour. **This "FALL BACK 1 HOUR" will take place on Sunday November 3, 2024.**

Also, easy access to your property and residence should be maintained for everyone's safety. This includes the timely reporting of downed trees and power lines in your area. Power lines could be entangled and hidden in the downed trees. **NEVER TOUCH LOW HANGING OR DOWNED POWER LINES AS THEY MAY STILL BE ENGERGIZED.**

As the fall and winter seasons approach, residents are urged to check over those items they feel they will need ahead of time rather than at the last minute. Please check carefully any alternative heat sources before using them.

PLEASE REMEMBER: DO NOT RUN PORTABLE GENERATORS INSIDE OF YOUR HOUSE OR ANY GARAGES AND SHEDS YOU MAY HAVE.

Have a safe 2024/2025!

Joey Clark

Sorrento Public Safety Officer

SORRENTO FIRE DEPARTMENT

The Sorrento Fire and Rescue department responded to 61 calls from September 3, 2023 to June 7, 2024. The calls ranged from structure fires to water rescues, car accidents, chimney fires, electric fires, brush and grass fires, false alarms, alarms sounding to mutual aid. The department also had many work sessions for the year in and around the fire station or vehicles that involved countless numbers of man hours. The number of man house spent on paperwork and phone calls are not included in this figure.

Mutual aid calls give the department an opportunity to utilize the skills that have been learned in other than a training scenario. The department's membership and mutual aid agreements with the departments of the Schoodic Region Emergency Services Association (SRESA) consisting of Aurora, Eastbrook, Franklin, Gouldsboro, Hancock, Sullivan, Winter Harbor and now Steuben, provide a way to address critical manpower shortages experienced throughout 24 hours. SRESA continues to provide a forum to discuss upcoming mutual trainings, equipment updates, NFPA requirements, and issues involving fire/EMS training, equipment compliance, etc. at both the state and federal level.

The three major storms kept us quite busy with trees, power lines and water over the road. Unfortunately you can't stop Mother Nature. So we will be planning on more storms in the coming year. The three major storms we had over this winter the town lost 37 trees in just those three storms. Those trees are not including what we usually lose during regular storms.

There are three ladies who are going to fire academy to become firefighters, Kasey Bean, Rita Boutaugh and Tracy Painter. The academy end tests for firefighter I & II.

As winter approaches, the department would like to remind everyone that access to your property as the snow piles up is essential for both the fire department and emergency medical services to be able to make a timely entry. The better the access is the better the chance should be of a good outcome if help is needed. The use of alternative heat sources brings a reminder of more awareness of home fire safety.

Please remember that portable generators should not be run inside of your home or in a structure such as a garage or shed. The consequences can be deadly.

We would like to thank the residents of the Sorrento community for their cooperation in practicing fire prevention and fire safety. Remember, burn permits are required and must be obtained before you burn. Please help us help you to have yet another fire safe year.

New members are always welcome to join the special group of men and women who are the Sorrento Fire Department! We will be glad to answer any questions you might have. These are plenty of things that must be done to keep the fire station and department running and you just might find out you would like to help us. We also encourage residents to stop in when you see us at the station. We will be glad to show you around!

We appreciate the support given to the department by the residents of the town and will continue to strive to fulfill our mission to serve and protect.

Have a safe upcoming summer season.

Mooring Permit Fees Paid \$ 19730. \$26060. (est. as of 6/1/24)

A new aluminum ramp will be installed for 2024. A Harbor Management Access grant was received for \$15,000. to assist in the cost of this installation. The December storm flooded the new power panel at the town pier. This is scheduled to be relocated to a location closer to the Versant power pole beside Ocean Avenue. The fourth finger float needs to be replaced for the 2025 boating season. An article is on the 2024 town warrant for replacement.

Respectfully,

Louis Sutherland, Jr.
Sorrento Harbormaster

**2024 Annual Report
Code Enforcement Officer & Local Plumbing Inspector**

Before new construction or exterior alterations that would increase the outside dimensions of any building, or before location or relocation of mobile homes and/or other structures, or before the location of any structure intended for occupancy or other use for periods exceeding three months, including but not limited to the placement of mobile residential trailers (a.k.a. "fifth wheels"), recreational vehicles or storage sheds, the owner or duly appointed representative shall obtain a permit pertaining to such work from the duly authorized issuing agent or body for the particular district on which it is empowered to act as detailed under, but not specifically limited to, Shoreland Zoning, Flood Plain Management, and Subdivision Ordinances.

16 Building Permits were issued between July 1, 2023 and May 31, 2024:

<u>Description</u>	
New Residences	2
Residential Addition/Renovation	8
Garage/Shed/Storage	1
Shoreland	3
Other	2

5 Plumbing Permits were issued between July 1, 2023 and May 31, 2024:

<u>Description</u>	
Internal	5
External	0

There are currently no violations and/or issues being corrected with land owners.

The Planning Board worked throughout the year to develop Land Use Ordinance changes, for Town approval, that comply with the State Housing Opportunity Program.

It has been a pleasure to serve the Town of Sorrento this past year.

Respectfully,

Michael Gurtler, CEO & LPI

Sorrento Scholarship Fund:

The Sorrento Scholarship Fund supports Sorrento resident's youth in their pursuit of post high school education at colleges, technical schools and many other accredited institutions.

There are presently 18 families in Sorrento that have a total of 38 students in pre-K through 12th grade, including home school students. 13 of these students are in high school. We hope to support all of these students pursue further education.

Current scholarship levels are up to \$1500 per semester or term plus a bonus for achieving top grades.

This is a non-municipal fund and is not managed by the Town of Sorrento. If you wish to make a gift to this fund and become a part of the community encouraging the next generation of high school graduates to pursue additional education please send your check made payable to:

Sorrento Scholarship Fund
c/o Gina Bennett
PO Box 9, Sorrento, ME 04677

Sorrento residents who are currently or will be starting post high school education in the future please contact: Wendy Worrell 402-689-8682

Sorrento Community Building Committee Report June 2024

We are happy to report some good news about our Community Building (known as the CB). We were able to get the very old steam boiler repaired, and, we very recently received a grant from the Maine Community Foundation for \$8,900 to insulate both attics, and the perimeter spaces between the joists of the basement. (This work has not been done yet.) Many thanks to volunteer Gianna Settin for writing this grant for the Town! The not-so-good news is our CB still needs a Lot of major renovations and repairs to be safe, functional and energy efficient, and to qualify as a warming center, and to make the back room a better meeting space. We have a long list of work needed and quotes for much of it. About \$200,000.00 is needed.

Unfortunately, we did not get the large AARP Community Challenge grant that 2 volunteers worked so hard on. Our CB is a valuable Town resource and we want to take good care of it. We had a well-attended Halloween Party for all last fall, and a well-attended Christmas Cookie Party for all last December. We use the CB for Select Board meetings, for voting, for Annual Town meeting, for Comprehensive Planning meetings, and it is rented for many private events.

We welcome more volunteers to the CB Committee, please come join us! CB Committee:

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Sorrento
Sorrento, ME 04677

Opinions

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Sorrento, Maine as of and for the fiscal year ended June 30, 2022, which collectively comprise the Town's basic financial statements as listed in the table of contents, including the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Town of Sorrento, Maine, as of June 30, 2022, and the respective changes in financial position for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Town of Sorrento, Maine, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town of Sorrento, Maine's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Town's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3 through 7 and 25 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town's financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Respectfully Submitted,

James W. Wadman, C.P.A.

TOWN OF SORRENTO, MAINE
Management's Discussion and Analysis
For the Fiscal Year Ended June 30, 2022

Management of the Town of Sorrento, Maine provides this *Management's Discussion and Analysis* of the Town's financial performance for readers of the Town's financial statements. This narrative overview and analysis of the financial activities of the Town is for the fiscal year ended June 30, 2022. We encourage readers to consider this information in conjunction with the financial statements and accompanying notes that follow.

FINANCIAL HIGHLIGHTS – PRIMARY GOVERNMENT

Government-wide Highlights:

Net Position – The assets of the Town exceeded its liabilities at fiscal year ending June 30, 2022 by \$3,441,198 (presented as “net position”). Of this amount, \$604,344 was reported as “unrestricted net position”. Unrestricted net position represents the amount available to be used to meet the Town's ongoing obligations to citizens and creditors.

Changes in Net Position – The Town's total net position decreased by \$73,396 (a 2.09% decrease) for the fiscal year ended June 30, 2022. Net position of governmental activities decreased by \$67,340 (a 2.08% decrease), while net assets of business-type activities showed a decrease of \$6,056 (a 2.20% decrease).

Fund Highlights:

Governmental Funds – Fund Balances – As of the close of the fiscal year ended June 30, 2022; the Town's governmental funds reported a combined ending fund balance of \$619,626 with \$235,905 being general unassigned fund balance. This unassigned fund balance represents approximately 17.0% of the total general fund expenditures for the year.

Long-term Debt:

The Town's had no outstanding long-term debt obligations during the current fiscal year. No new debt obligations were issued.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as an introduction to the Town's basic financial statements. The Town's basic financial statements include three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains additional required supplementary information (budgetary comparison) and other supplementary information. These components are described below:

Government-wide Financial Statements

The Government-wide financial statements present the financial picture of the Town from the economic resources measurement focus using the accrual basis of accounting. They present governmental activities and business-type activities separately. These statements include all assets of the Town (including infrastructure) as well as all liabilities (including long-term debt). Additionally, certain elimination entries have occurred as prescribed by the statement in regards to inter-fund activity, payables and receivables.

The government-wide financial statements can be found on pages 8-9 of this report.

Fund Financial Statements

The fund financial statements include statements for each of the three categories of activities – governmental, business-type and fiduciary. The governmental activities are prepared using the current financial resources measurement focus and the modified accrual basis of accounting. The business-type activities are prepared using the economic resources measurement focus and the accrual basis of accounting. Fiduciary funds are used to account for resources held for the benefit of parties outside the Town government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of these funds are not available to support the Town's programs. Reconciliation of the fund financial statements to the Government-wide financial statements is provided to explain the differences created by the integrated approach. The basic governmental fund financial statements and the fiduciary fund financial

statements can be found on pages 10-11 and 15-16, respectively, of this report. The proprietary fund financial statements for the sewer department can be found on pages 12-14 of this report.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and the fund financial statements. The notes to the financial statements can be found on pages 17-24 of this report.

Required Supplementary Information

This section includes a budgetary comparison schedule, which includes a reconciliation between the statutory fund balance for budgetary purposes and the fund balance for the general fund as presented in the governmental fund financial statements (if necessary). The budgetary comparison schedule can be found on page 25 of this report.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

Net Position

The largest portion of the Town’s net position (80%) reflects its investment in capital assets such as land, buildings, equipment and infrastructure (roads, parking lots and other immovable assets); less any related debt used to acquire those assets that is still outstanding. The Town uses these assets to provide services to citizens; consequently, these assets are not available for future spending. Although, the Town’s investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

	<i>Governmental Activities</i>	<i>Business-type Activities</i>	<i>Total 2022</i>	<i>Total 2021</i>
Current Assets	\$ 748,393	\$ 60,459	\$ 808,852	\$ 777,422

FINANCIAL ANALYSIS OF THE TOWN'S INDIVIDUAL FUNDS

Governmental Funds

The focus of the Town's governmental funds is to provide information on near-term inflows, outflows, and balances of expendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

At the end of the fiscal year, the Town's governmental funds reported ending fund balances of \$619,626, a decrease of \$63,238 in comparison with the prior year. Approximately 38 percent of this total amount constitutes unassigned fund balance. The remainder is reserved to indicate that it is not available for spending because it has been committed to liquidate contracts and commitments of the prior fiscal year or for a variety of other purposes.

Variances between actual General Fund revenues and expenditures and the final budget included the following:

- Revenues were over budgeted amounts by \$51,442 mainly due to unbudgeted float grant money, unbudgeted other revenue received and fire truck donation gift to town.
- \$100,224 negative variance in expenditures. General government over budget by \$39,591 due to carryforward being utilized. Protection over budget by \$56,142 due to purchase of new capital assets and using carryforward balances. Unclassified over budget by \$37,332 mainly due to over expended on town pier replacement project. Other expenses were under budget by \$32,840 mainly due to lower public transportation and overlay.

Proprietary Funds

The Town's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

CAPITAL ASSET ADMINISTRATION

Capital Assets

The Town's investment in capital assets for its governmental and business-type activities amounts to \$7,947,989; net of accumulated depreciation of \$5,178,503 leaving a net book value of \$2,769,485. Current year additions include \$27,000 for the fire house roof, \$94,247 town pier replacement project, \$49,778 in float expenditures and \$65,863 in fire department equipment. Current year retirements or impairments include \$106,811 for fire department equipment.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Town's finances for all citizens, taxpayers, investors and creditors. This financial report seeks to demonstrate the Town's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional information should be addressed to: Town of Sorrento, 79 Pomola Avenue, Sorrento, ME 04677.

**The Warrant
Hancock, SS State of Maine**

To: Harold Page
Resident in the Town of Sorrento, in the County of Hancock

Greetings:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the Town of Sorrento, in said County qualified to vote in Town affairs, to meet at the Sorrento Community Building on Monday, the 24th of June, 2024 at 2 o'clock in the afternoon then and there to act on the articles numbered 1 and 2:

1. To elect a moderator.
2. To elect by Australian Ballot the following officer:
One Selectperson for three years.

**The polls will open at 2 pm and close at 6 pm at the
Sorrento Community Building**

And to notify and warn said voters to meet at the Sorrento Community Building the following day, the 25th of June, 2024 at 7 pm, then and there to act on the remaining articles, namely:

3. To set, raise and appropriate compensation for the following officers:

	2024-2025	2023-2024
Selectboard & Budget Committee Recommend	Last Year	
Selectboard Salaries \$4,100/ \$3,700/ \$3,700 (Salaries remain the same, but 2024-25 reflects payroll taxes)	12,399	11,500
Fire Chief (Salary is the same, 2024-25 includes payroll taxes)	3,230	3,000
Total Article 3	15,629	14,500

4. To see if the Town will vote to elect three Assessors and three General Assistance Officers and set compensation. Recommend the Selectpersons with no additional compensation.
5. To see if the Town will vote to approve the proposed amendments to the Sorrento Land Use Ordinance, to bring the Town in line with the Maine State requirements of LD 2003. The Town of Sorrento is amending our land use ordinance in order to be in compliance with LD 2003, which is attempting to increase housing opportunities in Maine.
(The full text of the amendments follows the Annual Warrant.)
6. To see what date the Town will set when taxes shall be due and payable, and to set what interest rate the Town will set to be charged on said taxes unpaid after said date. Recommend: 60 days after taxes are committed and 8.5% interest.

7. To see what sums of money the Town will vote to raise and appropriate in the following categories for the 2024-2025 fiscal year:

	2024-2025	2023-2024

Northern Lights Home Care & Hospice - requested \$550	-	-
W.I.C./ Downeast Health Services - requested \$400	150	150
	4,641	4,641
Article 8 total:	13,641	16,141
9.	30,000	30,000
To see if the Town will vote to raise and appropriate \$30,000 for the Capital Improvement Fund which is dedicated to the purpose of paying for high cost capital improvement expenses incurred by the Town without abruptly raising taxes or obtaining a loan.		
10.		
To see what amount the Town will approve for an increase in the price of trash stickers (currently \$2.00). Budget Committee recommends an increase of \$2.00, for a total sticker price of \$4.00. Selectboard recommends an increase of \$0.50, for a total sticker price of \$2.50.		
11.	32,000	35,500
To see what sum of money the Town will vote to raise and appropriate for municipal trash disposal, based on the approved increase in Article 10. If increase in sticker price is \$0.00, then we need to raise and appropriate \$36,500. If increase in sticker price is \$0.50, then we need to raise and appropriate \$32,000. If increase in sticker price is \$1.00, then we need to raise and appropriate \$30,500. If increase in sticker price is \$2.00, then we need to raise and appropriate \$24,500.		

- | | | | |
|-----|---|--------|-------|
| 12. | To see if the Town will vote to appropriate \$15,000 from the Capital Improvement Fund to the Community Building Improvement Reserve Account. | | |
| 13. | To see if the Town will vote to raise and appropriate \$20,000 for the Contingency Fund. Last year \$20,000 from surplus. | 20,000 | - |
| 14. | To see if the Town will vote to raise and appropriate \$50,000 and appropriate up to \$25,000 from surplus, if additional matching funds are needed, for the town's required contribution needed to obtain FEMA and MEMA repair and mitigation funds related to the January 2024 storms. | 50,000 | - |
| 15. | To see if the Town will vote to raise and appropriate \$5,000 for the Fire Truck Fund. Money from this fund can only be withdrawn by voter-approved appropriation for Fire Truck replacement. | 5,000 | 5,000 |
| 16. | To see if the Town will vote to authorize the municipal officers to dispose of tax-acquired property as they deem in the best interests of the town, except that the municipal officers shall first use the sale process in 36 M.R.S. 943-C if they choose to sell property to anyone other than the former owner. For sales to someone other than the former owner, excess sale proceeds, as defined in 36 M.R.S. 943-C shall be returned to the former owner. | | |
| 17. | To see if the Town will vote to authorize the Fire Department, with the Selectboard's approval, to dispose of surplus capital equipment in a manner that best benefits the Fire Department, providing any such sale is announced in the Sorrento Newsletter. | | |
| 18. | To see if the Town will vote to authorize the Selectboard to accept for the Town, gifts or grants of money from Federal, State or private sources. | | |
| 19. | To see if the Town will vote to adjourn the meeting. | | |

Grand Total of articles 1 through 19	604,451	490,501

June 2024 Proposed Amendments to the

TOWN OF SORRENTO *LAND USE ORDINANCE*

Underlined text signifies the proposed amendments to be added to the ordinance approved May 16, 2016.

9. STRUCTURE / LOCATION

D. Minimum Lot Size: The minimum lot size for a residential dwelling unit (including mobile homes and seasonal homes) is 20,000 square feet.

E. Density Bonus *(per Maine 30-A MRS 4364-A):*

1. A property owner with an existing residential dwelling unit may add up to two (2) additional residential dwelling units to a conforming lot. The lot must meet minimum lot size requirements and provide for compliance with subsurface wastewater system requirements. All zoning, subdivision and dimensional requirements (such as set-backs) must be met.
2. Up to two (2) residential dwelling units may be constructed on a conforming lot without an existing residential dwelling unit. The lot must meet minimum lot size requirements and provide for compliance with subsurface wastewater system requirements. All zoning, subdivision and dimensional requirements (such as set-backs) must be met.

F. Accessory Dwelling Unit *(per 30-A MRS 4364-B):* A property owner with an existing residential dwelling unit may add one (1) accessory dwelling unit (ADU) to the lot. The lot must allow for compliance with subsurface wastewater system requirements. All zoning, subdivision and dimensional requirements (such as set-backs) must be met. An ADU may not be advertised, rented or used as a short-term rental unit.

17. DEFINITIONS

Accessory dwelling unit: A room or group of rooms designed and equipped exclusively for use as living quarters for only one family. The term shall include mobile homes, but not recreational vehicles. An accessory dwelling unit must be a minimum of 190 s/f and subordinate in size and volume to the existing primary residential dwelling unit on the same lot. An accessory dwelling unit may not be advertised, rented or used as a short-term rental unit.

Multi-unit housing: more than one residential dwelling unit, attached or detached, located on the same lot.

Recreational vehicle: A vehicle or an attachment to a vehicle designed to be towed, and designed for temporary sleeping or living quarters for one or more persons, and which may include a pick-up camper, travel trailer, tent trailer, camp trailer, and motor home. In order to be considered as a vehicle and not as a structure, the unit must remain with its tires on the ground, and must be registered with the State Division of Motor Vehicles. A recreational vehicle is not a residential dwelling unit.

Short-term rental: a residential dwelling unit that is advertised or rented, wholly or partially, for a period of less than thirty (30) consecutive days.

NOTES

Celebration of the Life of Christopher Eklund

on July 14, 2024, at 2 p.m.
at Sumner Memorial High School

It is with deep regret that the Sorrento Fire Department is announcing the passing of Chris Eklund. Chris was a member of the Sorrento Fire Department for many years and will be missed deeply. Chris was the Assistant Chief of Sorrento Fire for many of these years. He also took much pride in his 20 plus years of employment at the Ellsworth Car Wash.

To honor Christopher Eklund's memory, we are holding a celebration of his life on July 14, 2024, at 2 p.m. at Sumner Memorial High School at 2456 US HWY 1, Sullivan, ME. We invite anyone who knew him to attend and remember his wonderful life.
