STATE OF MAINE
 OFFICE OF THE GOVERNOR
 1 STATE HOUSE STATION
 AUGUSTA, MAINE
 04333-0001

Dear Friends:

When I took the oath of office as Maine’s 75th governor, I never imagined that we would face a deadly pandemic. But that is our reality, and it is my responsibility to guide our state through this time, to keep Maine people safe and healthy, and to put our economy on a path to recovery.

COVID-19 has wreaked havoc on our national economy, dealing heavy losses to businesses of all sizes, and leaving millions of people unemployed. Here in Maine it has taken the lives of hundreds of people and sickened many more. Since the arrival of the first vaccines in December 2020, we have been working to get as many shots into the arms of Maine people as quickly and efficiently as possible.

While our spirits are lifted and we share in a collective sense of relief, particularly for frontline health care workers who are exhausted and have been working around the clock to save lives, it will take months to administer the vaccine to all Maine people and we must keep our guard up. In the coming months, I look forward to working with you in fully opening our schools and businesses across the state. We will hasten our state’s recovery if we wear our masks, watch our distance, avoid gatherings, and wash our hands.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine’s economy. We also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine’s economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge to be a stronger, better state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Please take care,

Janet T. Mills
 Governor

January 2021

Dear Friends and Neighbors,

It has been a pleasure to serve the residents of House District #136 in the Maine Legislature. I am honored that you have entrusted me again with this responsibility. As you aware, these past ten months have brought unprecedented challenges to our country, the State of Maine and our communities.

Due to the COVID-19 pandemic, the second session of the 129th Legislature adjourned *Sine Die* on March 17, 2020. The opening on December 2 of the 130th Legislature was still impacted by the pandemic and to ensure social distancing, the *Swearing In* was held at the Augusta Civic Center instead of the chambers in the State House.

I continue to serve on the Joint Committee of Marine Resources, this session as the ranking Republican. The most immediate work will be managing the impact of the state shutdown and its effect on our economy. With the impending state budget shortfall for the remaining six months of this fiscal year 2021, hard economic choices will have to be made not only in the short term, but we will then be asked to develop the next biennium budget covering fiscal years 2022 and 2023.

I encourage you to actively participate in your state government. Phone calls and letters are always welcome, however, due to the wider use of technology, meetings and hearings are even more accessible. Using the homepage of the Maine Legislature: **Legislature.Maine.Gov**, you will find access to Zoom meetings and YouTube videos. I also send a weekly email with current state news. If you wish to receive these updates, please contact me at William.Faulkingham@legislature.maine.gov, and we will gladly add you to our list.

Again, thank you for giving me the honor of serving you in Augusta and may you all have a safe and healthy 2021.

Sincerely,

Billy Bob Faulkingham

2021 Assessor's Report

(Used for the July, 2020 - June, 2021 Tax Bills)

Dear Friends and Residents of Sorrento,

It has been an honor to serve as your state senator this term. I first ran for office to advocate for policies that improve the lives of people across Hancock County. Even though our most recent session was unexpectedly cut short by the pandemic, I want to share with you some of what my colleagues and I were able to accomplish in the legislature.

This year, we were able to grow Maine's Rainy Day Fund to \$258 million, the highest it has ever been. This pandemic and its economic consequences have highlighted the need for this fund, and the bipartisan, balanced budget we passed last year meant we entered this crisis in a strong position.

We prioritized the health of all Mainers by working to fix our broken health care system. We established protections for those with preexisting conditions and lowered prescription drug costs, including capping the out-of-pocket cost of insulin. We passed legislation that ended surprise and abusive billing practices, which have made health care costly and unpredictable for so many.

We also acted to improve access to reliable, high-speed internet. This is an issue that comes up often in my conversations with people across Hancock County. Now more than ever before, we're relying on the internet to educate our children, expand our small businesses, and to stay in touch with our loved ones, so it's important for everyone in our community to have access to this resource.

With COVID-19 impacting all of us in different ways, I'm working with many people one-on-one to find solutions to the challenges they're facing. If I can ever be of help to you, please reach out to me at (207) 287-1515 or Louis.Luchini@legislature.maine.gov.

Sincerely,

Louie Luchini
 State Senator

Town of Sorrento, Maine 2022 Assessor's Notice

In accordance with Title 36, M.R.S.A., Se. 706, as amended, the Assessors of the Town of Sorrento hereby give notice to all persons liable to taxation in said municipality, that they will be in session at the Town office in said municipality on the 6th of April 2022 at 7:00 PM for the purpose of revising lists of the estates taxable in said municipality.

Owners

All persons liable to taxation in the Town of Sorrento, Maine and all Administrators, Executors, Trustees, etc, of all estates taxable in said municipality of such persons are hereby notified to furnish to THE ASSESSORS TRUE AND PERFECT LIST OF ALL THEIR ESTATES, REAL AND PERSONAL, not by law exempt from taxation, of which they were possessed on the first day of April, 2022 and be prepared to make oath to the truth of the same and to answer all proper inquiries as in writing as to the nature, situation and value of their liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the executor, administrator, or other such persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under law to pay the tax assessed although such estate have been wholly distributed and paid over.

Persons Doomed

And any person who neglects to comply with this notice is hereby barred to his right to make application to the ASSESSORS or any appeal therefrom, for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was unable to furnish it at the time appointed.

Blank schedules will be furnished at the Assessor's Office on application

Notice to Dog Owners or Keepers

Each owner or keeper of a dog at the age of 6 months or more, on or before January 1st of each year, shall obtain a license from the municipality where the dog is kept. A municipal clerk may not issue a dog license until the applicant has filed with the clerk proof that the dog has been immunized against rabies. Proof of spaying or neutering must also be presented unless this is already on record with the municipal clerk.

A list of unlicensed dogs will be issued to the A.C.O. in March

Males/Females \$11.00 Neutered/Spayed \$6.00

Under State Law, a late fee of \$25 per dog shall be collected after January 31 in addition to the license fee.

SORRENTO FIRE DEPARTMENT

Routine equipment and apparatus maintenance is critical to insure their operation in times of emergency. This maintenance keeps personnel familiar with the operation of the equipment and apparatus, but also serves to catch problems early enough to have less effect on their use of the budget. Periodic oil changes, lubrication and the correction of problems that surface as the apparatus or equipment is used are all part of this maintenance. In addition, the fire station is maintained and repaired as needed.

Assistant Chief Brian Clement spends many additional hours behind the scenes making sense of and inputting data of emergency calls into the new State computer program for the National Fire Incident Reporting System (NFIRS). This fulfills department and grant requirements as well as adds to the national database on the types of calls that fire departments nationwide experience.

The Finance Committee continues to maintain the delicate balance of keeping expenses in check but also keeping the department's equipment updated and in good condition. The committee is well aware of the economic realities of today and will continue to try not to significantly impact the overall town budget. Donations from town residents provide the department with additional funds that continue to supplement the annual budget. The careful management of the budget funds and the donations has given the department the opportunity to offset costs.

Grant monies are sought yearly. The grants, such as FEMA Assistance to Firefighters Grant, Forestry Grants and Maine Municipal Association grants, if obtained after completion with hundreds of other applicants, provide the department with help to offset costs of mandated equipment or obtain equipment otherwise not able to be afforded. Forestry grants and Maine Municipal Association grants, when received, help to purchase necessary and needed firefighter protective gear.

As winter approaches, the department would like to remind everyone that access to your property as the snow piles up is essential for both the fire department and emergency medical services to be able to make a timely entry. The better the access is the better the chance should be of a good outcome if help is needed. The use of alternative heat sources brings a reminder of more awareness of home fire safety. **Please remember that portable generators should not be run inside of your home or in a structure such as a garage or shed. The consequences can be deadly.**

We would like to thank the residents of the Sorrento community for their cooperation in practicing fire prevention and fire safety. Remember, burn permits are required and must be obtained before you burn. Please help us help you to have year another fire safe year.

Please continue to report any sightings of fire, smells of smoke, wire down, trees on wires or trees in the road by calling 911 immediately. Do not touch or attempt to move any wires that are down. It is much better to have us investigate and find nothing or something small before it gets out of control. Proper house numbering helps us find the scene faster at a time when seconds count in averting a tragedy. It is very important for all of us to be very observant in keeping our neighbors and town fire safe.

New members are always welcome to join the special group of men and women who are the Sorrento Fire Department. We will be glad to answer any questions you might have. There are plenty of things that must be done to keep the fire station and department running and you just might find out you

would like to help us. We also encourage residents to stop in when you see us at the station. We will be glad to show you around!

We appreciate the support given to the department by the residents of the town and will continue to strive to fulfill our mission to serve and protect. In this serious situation of Coronavirus, we wish that you and your loved ones are always safe.

The Sorrento Fire Department.

ROAD COMMISSIONER REPORT

A review of the roads considered to be in the poorest condition is still under discussion with the selectmen to determine which will have to be paved sooner rather than later. This process is dependent on the cost of hot top. Prices are being sought in an effort to keep down costs.

If you see or have a concern about the condition of a road or a hazard, please feel free to contact me.

Joey Clark
Road Commissioner

PUBLIC SAFETY REPORT

As always, a big thank you to all the residents of the Town of Sorrento for their safety consciousness in 2020-2021. Your reporting of damages, removed or spray-painted street signs is the type of information necessary to repair or replace them as soon as possible. These signs are very important for emergency services personnel, especially fire, police and medical, as well as utility companies to find the correct address.

A critical part of public safety is for residents to accurately use the 9-1-1 address that has been assigned to their property. The mailbox and/or home should clearly display your 9-1-1 address to allow quick identification. If you are having difficulty with your 9-1-1 address display, please call me for assistance.

REMEMBER: BURN PERMITS ARE ALWAYS REQUIRED. These can be obtained in person from the Fire Chief, Deputy Fire Chief, Assistant Chiefs or Chief Engineer of the Sorrento Fire Department. No burn permits will be issued during dry conditions.

Smoke and CO2 detector batteries should be replaced when the clocks are turned back one hour. **This "FALL BACK 1 HOUR" will take place on Sunday, November 7, 2021.**

Also, easy access to your property and residence should be maintained for everyone's safety. This includes the timely reporting of downed trees and power lines in your area. Power lines could be entangled and hidden in the downed trees. **NEVER TOUCH LOW HANGING OR DOWNED POWER LINES AS THEY MAY STILL BE ENERGIZED.**

As the fall and winter seasons approach, residents are urged to check over those items they feel they will need ahead of time rather than at the last minute. Please check carefully any alternative heat sources before using them.

PLEASE REMEMBER: DO NOT RUN PORTABLE GENERATORS INSIDE OF YOUR HOUSE OR ANY OTHER STRUCTURE, INCLUDING GARAGES AND SHEDS.

Have a safe and healthy 2022.

Joey Clark
Sorrento Public Safety Officer

EMA REPORT

During last winter the Town of Sorrento had both cold, snowy days and rainy days. Some trees and power lines came down but were taken care of as quickly as possible. Spring saw even more days of rain that caused significant run-off. The increased rainfall has thus far continued through the summer.

As always in the event of a big storm, the fire department will be checking out for damage such as trees and overhead wire down, and washed out roads. Reports from the town residents regarding their neighborhood continue to be a great help to the fire department. Remember: **DO NOT GO NEAR** a downed line or one that is tangled in a downed tree. **CALL 9-1-1** to have the fire department dispatched to check it out. The fire department has a special tool that will indicate if a downed line is on that is electrically charged or not.

The Incident Command System (ICS) is utilized to keep the fire and rescue department up-to-date and compliant. The time and effort to do the training and make use of the ICS by the emergency personnel is greatly acknowledged.

Likewise, the continued cooperation of the residents of the Town of Sorrento is very much appreciated.

Have a safe and healthy 2021

Joey Clark, Director
Sorrento Emergency Management

E-9-1-1- Addressing Report

Ann Blood is our new 911 Addressing Officer. If you are planning on building a new house on your property you need to apply for an official address as well as your building permit.

Please contact Ann by emailing: 911officer@sorrentomaine.org.

Also, any driveway which leads to more than one house needs to have the road named and the address adjusted. Please contact Ann for this as well.

Please make sure your mailbox and house numbers are clearly visible according to our 911 Addressing Ordinance.

SORRENTO COMMUNITY BUILDING COMMITTEE

Due to the fact we are still under COVID-19 and now DELTA-COVID, there is still decreased use of the Community Building.

We hope for the upcoming year 2022 that the building will fall back in to much more use.

A few months ago there was a furnace fire. The inside walls and ceilings had to be specially cleaned and all painted. All repairs have been completed.

2020-2021 Code Enforcement Report

Town of Sorrento

All building construction, and other structures, decks, driveways, movement of earth, in the Town of Sorrento require a permit issued by the, Code Enforcement Officer, sometimes with approval of the Planning Board. Permits are also required for septic systems, installation, and replacement. New internal plumbing, and replacement plumbing along with connecting internal plumbing to new or original septic system, all require permits issued by the Code Enforcement officer.

Sorrento Code Enforcement, is tasked with administration and enforcement of our zoning, and Land use, shoreland, Subdivision's, Floodplain management, and junk yard/Automotive Graveyard ordinances; the State of Maine internal plumbing rules, the State of Maine Subsurface Wastewater disposal Rules, and various requirements of the Maine State Law where authorized.

As this was my first year with the Town Of Sorrento's as Code Enforcement Officer, We have cleaned up and organized the permitting process, using the computer for better tracking and issuing of permits.

Respectfully submitted,

Don Baker
CEO/LPI/Health Officer
